

Tushar Bisht

UI Developer

PROFESSIONAL PROFILE

Results-driven UI/UX Developer with 4+ years of experience crafting intuitive, scalable, and high-performing digital products. Proficient in Figma, WordPress, and Drupal with hands-on expertise in custom theme development. Skilled in front-end technologies including HTML, CSS, JavaScript, jQuery, with experienced in optimizing website performance for speed, accessibility, and responsiveness. Adept at leading cross-functional teams, managing large-scale data migrations, and delivering user-centric solutions aligned with business goals. Actively leverages GenAI tools such as Gemini, Bing AI, and ChatGPT to enhance productivity, accelerate problem-solving, and streamline design-to-development workflows

CORE SKILLS

HTML5, JavaScript, WordPress, Figma, jQuery, Drupal, Prototyping, Bootstrap 3/4/5, Bitbucket, Browserstack, Wireframing, ChatGPT, GenAI, Redmine, Git, GitHub, Custom Email Templates, CSS3, SEO, Problem Solving, Leadership, Website Administration, Website Development, Project Management, Team Coordination, Web Performance Optimization

PROFESSIONAL EXPERIENCE

Software Engineer, Techno Facts Solutions Pvt Ltd, Hyderabad | Apr 2025 – Present

- Designed and developed reusable, scalable Drupal templates using HTML, CSS, JavaScript, and Twig from Figma designs, ensuring pixel-perfect, responsive, and consistent UI across web pages and modules.
- Leveraged GenAI and AI-based code assistants (e.g., ChatGPT) to accelerate development, automate repetitive tasks, assist in debugging, and enhance UI workflow efficiency.
- Conducted UI asset audits to validate design readiness, optimize assets, and streamline the front-end development lifecycle.
- Managed source code using Bitbucket, implementing branching strategies and version control best practices for efficient team collaboration.
- Diagnosed and resolved UI/UX issues via Redmine, fixing layout inconsistencies, responsiveness issues, and improving user interactions.
- Collaborated with designers, backend developers, and QA teams in agile environments to deliver high-quality, user-centric interfaces.
- Provided technical support and mentorship to team members, improving issue resolution speed and development efficiency.
- Participated in agile ceremonies including sprint planning, stand-ups, and reviews to ensure timely project delivery.

Sr. UI Developer, HIC Global Solutions Pvt. Ltd, Noida | Jul 2021 – Feb 2025

- Progressed from Junior to Senior UI Developer by consistently delivering high-quality, scalable UI solutions and leading complex web development projects.
- Engineered custom WordPress themes and dynamic front-end solutions, improving website performance and user experience by up to 30%.
- Led large-scale data migration projects, successfully transferring 10M+ records from CSV files to databases using MySQL Workbench.
- Designed and developed responsive websites by converting PSD/Figma designs into pixel-perfect HTML, CSS, and JavaScript interfaces.
- Created intuitive UI/UX designs in Figma, reducing design iteration cycles and improving overall development efficiency.
- Managed and maintained 10+ business websites, ensuring 99.9% uptime, optimal performance, and regular updates.
- Deployed and managed websites via cPanel, handling hosting, server configurations, and basic security practices.
- Conducted performance optimization and testing, reducing page load times by ~20% and eliminating critical UI bugs.
- Collaborated with cross-functional teams (designers, backend developers, QA) to deliver seamless, user-centric web solutions.
- Built and customized email templates for Salesforce marketing campaigns, ensuring responsiveness and brand consistency.

EDUCATION

Masters of Computer Applications

Indira Gandhi National Open University, New Delhi | Dec 2021

Diploma, Graphics Web Design & Development

Arena Animation, Malviya Nagar, New Delhi | Sept 2021

Post Graduate Diploma in Computer Application

Indira Gandhi National Open University, New Delhi | Jul 2021

Diploma in Computer Application & Programming

ESTC ACEL, Ramnagar, Uttarakhand | Jul 2018

Bachelor of Science

P.N.G Govt. P.G. College, Kumaun University, Ramnagar, Uttarakhand | Jun 2018

CERTIFICATIONS & TRAINING COURSES

- Claude 101, Anthropic
- Claude Code 101, Anthropic
- Claude Code in Action, Anthropic
- Certificate of Internship & Training (MERN Stack), GeeksforGeeks
- Fundamentals of Digital Marketing, Google Skillshop
- Data Structures in C, Great Learning
